## Trip Update

The decision has been made to postpone band travel until next school year. When we had postponed from November to Spring Break, we had hoped things would be closer to normal by then.

We are hopeful that activities will be closer to normal for next school year.

The travel company has a \$100 non-refundable deposit when a traveler enrolls for the trip. We have been sure to stay ahead of any refund deadlines throughout this process to ensure that if the trip plans ever had to be cancelled, travelers would have the remaining balances refunded.

If a student is enrolled for this school year's trip, the registration and any payments would be carried over to next school year. You can login to your account on our travel consultants website at any time to check the balance [www.musictravel.com](http://www.musictravel.com)

If anyone would like to cancel their child's band travel plans at this time, you may do so on the travel companies website. The \$100 deposit that was made is non-refundable, but any remaining balance can be requested for refund.

**Current Senior Students-** The travel company is currently working to determine what will be possible with the \$100 deposit. The contract states that if a traveler cancels for any reason, the company must maintain those funds, as they have been spent to pay our travel representative for the time they spend organizing the trip, the web portal that was setup and utilized during our registration process, etc. However, they are currently exploring options to see if full refunds will be possible for graduating Seniors. They hope to have updates on this topic

very soon.

Music Travel Consultants have contact information for all travelers and will be sending out additional updates soon. You can also reach out to them or one of our band directors at any time if there are questions.

## 9th-11th Grade Parent Travel Survey

We are looking for feedback regarding travel plans for next school year. We encourage all parents to complete this survey. The band directors will use this feedback to finalize plans for the 2021-2022 school year.

## 2021 Marching Band Camp

We will have a band camp at the end of the summer. This camp is for all of our marching band members, which includes all band students except those who are approved for exemption for a Forest Hills Fall sport. We ask that all band families plan for their child to be in town for these activities.

July 26-30. 9:00-4:00

August 2-6. 9:00-4:00 & 6:00-9:00

The entire Fall Marching Band calendar will be available by the beginning of February.
